

RETURN THE ATTACHED FORM TO:

**UND Student Health Services
McCannel Hall Room 100
2891 2nd Avenue North Stop 9038
Grand Forks, ND 58202-9038
OR by Fax (701) 777-4835**

Dear University of North Dakota Student,

Congratulations on your acceptance to the University of North Dakota. Student Health Services wishes you the best of luck and success in your pursuit of further education. The North Dakota State Board of Higher Education mandates that certain requirements are met before enrolling at this institution. Please complete the attached **Mandatory Health History & Immunization Form** and return it to our office at the above mentioned address or by fax (being sure to fax both sides of the document).

Mandatory Health History & Immunization Form

- All information fields on this form are required - including parent/guardian and next of kin/spouse information. Immunization information must be completed by your healthcare provider or a Public Health Official.

Immunization Information

- Immunization information is required for admission to the University of North Dakota. Any student who is non-compliant will not be allowed to register for classes. The following immunizations are required under the University of North Dakota bylaws and the state of North Dakota Board of Higher Education.

The Measles, Mumps and Rubella (MMR) vaccine. Two doses are required, unless you were born before 1957.

- Documentation of required immunizations must be provided by your healthcare provider or a Public Health Official. Immunization information that is incomplete and/or does not contain the proper signature will be returned to you for the required documentation.
- The following immunizations are recommended for students entering a university setting:
 - Meningococcal
 - Tetanus Diphtheria (Td) booster (every ten years)
 - Hepatitis B (in some cases the Hepatitis B vaccine is required for the degree sought)
 - Annual influenza vaccination

Tuberculosis Screening (as applicable):

- Results of tuberculosis screening should be completed by your healthcare provider or a Public Health Official in Part II of your Mandatory Health History & Immunization Form.
- International students are required to have their tuberculosis skin testing completed and read in the United States by a healthcare provider or by a Public Health Official.

Health Insurance Information

- Health insurance is strongly recommended while attending school. Some plans require that you request to designate UND Student Health Services as a preferred provider while you are attending school. Please check with your insurance company. If you do not have insurance, please request information from Student Health Services about North Dakota University Systems endorsed plans.

Privacy & Confidentiality of Personal Health Information

- University students are covered under the Family Educational Rights and Privacy Act (FERPA). Student Health Services also abides by the rules imposed by the Health Insurance Portability and Accountability Act (HIPAA).

If you have any questions about the information contained on the Mandatory Health History & Immunization Form, please contact our office at 701.777.4500 or visit our website at <http://www.undstudenthealth.com>.
